Praise the Lord for all he has done to open doors and transform the hearts of the tribal leaders to cause them to donate land for a church to be built on a reserve where we were not welcome just a few years ago. Thank him for providing resources to allow Calvary and other churches to contribute toward construction of the building and ministry. Pray for Jason Johnson as he leads this church and develops a discipleship program for men. Pray that this church will be the light that guides many First Nations people to Christ, and that it will serve as a model that can be replicated on many other reserves.

Eliot Pages, North Campus Minister of Adult Education

- ³We always thank God, the Father of our Lord Jesus Christ, when we pray for you, ⁴since we heard of your faith in Christ Jesus and of the love that you have for all the saints, ⁵because of the hope laid up for you in heaven. Of this you have heard before in the word of the truth, the gospel, ⁶which has come to you, as indeed in the whole world it is bearing fruit and increasing—as it also does among you, since the day you heard it and understood the grace of God in truth, ⁷just as you learned it from Epaphras our beloved fellow servant. He is a faithful minister of Christ on your behalf

Colossians 1:3-7

- Request:
That the gospel CONTINUALLY bear fruit in you and that the church also CONTINUALLY bear fruit in the church. The gospel is not a ‘one and done’ deal. It is not something that you simply accept and do nothing else. Rather it is like a garden that takes constant care and tending to. And just like a garden, if it is properly cared for it will continually bear fruit for generations to come.

Dalton Washburn, North Campus Minister to Students

- As we move in to December, pray that people will remember that Christ is the reason for Christmas. Pray that they don't get caught up in the things that take attention away from the fact that Christ came to be our savior, and that they put the focus on Him both now and all through the year.
